MINISTRY OF CULTURE

26 July 2017

Dear Guest,

I am pleased to invite you to the Architectural Policies Conference, held on 21-22 September 2017 in Tallinn, Estonia. The event is organised as part of 2017 Estonian Presidency of the Council of the EU and is held back to back with the European Forum for Architectural Policies (EFAP) General Assembly.

Among other issues, we will be discussing architectural policies and developments across Europe, entrepreneurship and export specifics related the field of architecture, the roles and operational models between state and municipal architects. Please see the detailed programme enclosed.

The conference will be held on Thursday 21 September from 9.00 to 18.00 at Vabalava (Open Space) theatre in Telliskivi Loomelinnak (Creative City) followed by site visits and tours in Tallinn on 22 September. Within the programme, it is also possible to visit Tallinn Architecture Biennale TAB2017 exhibitions (<http://2017.tab.ee>).

Please find enclosed the programme and practical info about the registration and venues. We would kindly ask to register before 12 September.

The conference venue - Vabalava theatre is located in Telliskivi Creative City – in an old industrial territory springing to life, where the existing architecture is continuously finding new and alternative functions. Telliskivi extends the Tallinn downtown across the railway tracks, offering a cosy and artistic alternative to the sights and nightlife of the Old Town. For further information on the area, please visit: <http://telliskivi.eu/en>.

I am looking forward to welcoming you to Estonia!

Yours Sincerely,

Paavo Nõgene  
Secretary General
